## Menawat & Co. Selected by Xplorex IT Magazine as One of The 10 Best Collaboration Solution Providers 2018

Annual list showcases the 10 Best Collaboration Solution Providers. Menawat & Co. selected for its expertise in providing cutting edge cybersecure technology solutions and services.

**July 27, 2018** – Xplorex IT ([www.xplorexit.com](http://www.xplorexit.com)) - Enterprise Technology Magazine has chosen Menawat & Co. ([www.menawat.com](http://www.menawat.com)) for its 10 Best Collaboration Solution Providers list 2018. The positioning is based on evaluation of Menawat's offerings for a unique suite of ProFIT-MAP™ Teams cybersecure collaboration software and services.

The annual list of companies is selected by a panel of experts and members of Xplorex IT's Editorial board to recognize and to promote technology entrepreneurship. "The companies selected for our 10 Best Collaboration Technology Solution Providers 2018 list are an elite group of companies whose products and solutions are changing their respective industries," said Adam Goldstein, Managing Editor, Xplorex IT. "We are proud to feature Menawat & Co. in this edition for its effort in helping organizations to easily and quickly adopt ProFIT-MAP™ Teams as a core part of their business. Menawat's solutions continued to break new ground within the past year benefiting its customers worldwide."

"We are humbled to receive this industry recognition and will only accelerate our efforts," added Anil Menawat, President and COO, Menawat & Co. "Our approach to collaboration as being fundamental to innovation and business performance drove us to develop software solutions in the cloud that make it easier for people to work together and with their customers and suppliers globally. The true value is in creating two-way collaborative relationships where communications and critical information are instantly available, always in context and secure, out of the box."

### **About Menawat & Co.**
